

## **NEVIS CYCLES CLUB CONFINED TIME TRIALS 2010**

### **WEST HIGHLAND WHEELERS CLUB CONFINED TIME TRIALS 2010**

To conform with British Cycling policy on club confined time trials (see below) the Nevis Cycles R.T. time trials and West Highland Wheelers time trials are now separate events using the same course, the West Highland Wheelers time trial starts first at 7pm on Tuesdays and is followed by the Nevis Cycles R.T. time trial when the earlier event has finished.

British Cycling Policy on Club Confined Time Trials in Scotland

British Cycling has an agreement with Scottish Cycling to allow '*club confined time trials*' to be covered by the club's liability insurance as a training activity. '*Club confined time trials*' should involve no more than 25 riders, cover a distance of no more than 25 miles and be confined to club members plus any invitees who are not members of any cycling club and who have been invited to participate with a view to joining that club.

**This cover is provided as a benefit to clubs and officials, not to individual participants. Therefore individual participants are strongly urged to obtain an adequate level of personal liability insurance such as that provided by Silver or Gold membership of British Cycling.**

#### **Conditions**

- For the purposes of '*club confined time trials*', club members shall be defined as follows: -
  - where the club member is a British Cycling member, the host club must be that which appears uppermost on their British Cycling membership card.
  - where the club member is not a British Cycling member, the member must be a member of the host club exclusively and not be a member of any other cycling club.
- A rider may only participate in '*club confined time trials*' of only one club in any calendar year.
- All clubs insured for '*club confined time trials*' must be affiliated to Scottish Cycling.

Where any of these conditions are not met, the event is no longer considered to be a '*club confined time trial*' and must therefore be registered with Scottish Cycling as an Open Time Trial for which the normal registration fees and levies are payable.
