

## WEST HIGHLAND WHEELERS

### FORT TO FORT – 25<sup>th</sup> October 2009

After a gap of a few years, the Fort to Fort event was resurrected for 2009. John Ireland prepared the groundwork and Lynda Dodd from the Great Glen Way kept order with all the relevant stakeholders. The weather wasn't too bad in that the headwind was acceptable, given conditions experienced in previous years. Dust from the forest road didn't prove to be an issue either. 44 riders signed on with 2 not making it to the finish due to a plague of punctures. Mairi Meldrum managed 50 metres before snapping her chain but some stalwart work from the sweeper, Andrew Foggo, soon got her back on her way. Thanks to Andrew, Colleen, Ilona Linfield and family, Roddy Wells and Ian Dewar for marshalling the key junctions and to Jim Maxwell for acting as broom wagon.

All being well, we'll go for a repeat in October 2010.
