

WEST HIGHLAND WHEELERS

FORT TO FORT – 30th October 2011

The rain relented briefly for the annual Fort 2 Fort event, this year reaching its twentieth anniversary. A strong south-westerly meant that times were a lot slower than last year. The 2 Bens, Gavin and Ewan fought a hard battle at the front, Ben Thompson having to retire as his mech blew up. Gavin Shirley pipped Ewan Thorburn on the line to take victory. Nix was first lady home with Ben Miller taking the first junior award. Alex Dent (a mere 10 years old) led his mum home to a very respectable time for them both. A few cyclo cross bikes were seen as entrants tried to squeeze a little extra advantage from the choice of wheels. Thanks to Andrew and Colleen for helping to mark the course, Colleen for timing, Ilona, Lorna and Fiona for marshalling the key junctions, to Marian Austin for the lantern rouge role and Fiona Gunn and Jim Shearer for acting as broom wagon. Also a word of thanks to the Great Glen team and Lochaber Rugby Club for all their assistance.
