

West Highland Wheelers

Winter League

Inchree

13/11/11

The first Alpine Bikes sponsored winter league of this season took place on a balmy day at Inchree. Roddy Wells and Brian Barbour had worked hard to produce a first-class course. Ben Miller mastered the rooty singletrack and long climbs to come in over 2 minutes ahead of Chris Bell. Jesse Wigman took a fine third place but Stephen Dent left many older riders trailing in his wake in his best ever fourth finish. In fact junior riders took 3 of the first 6 places with Johnny Forster also winning the short course option. Mairi Meldrum was the first lady to finish, despite taking a little excursion on the last lap. Thanks to Roddy, Brian and Ruari for organising a great event. Wolftrax hosts the Wheelers next on the 27th November. Will the senior riders be able to rebuff the challenge from the up-and-coming younger members?
