

WEST HIGHLAND WHEELERS
FORT TO FORT - 28TH OCT 2012

After a glorious week, the weather typically turned to a wet south-westerly for the annual Fort to Fort event. Riders were not disheartened and turned up in Fort Augustus, eager to set off into the puddles and mud. Ben Thompson was the first one home, taking advantage of a well-g geared cyclo-cross bike to outsprint Ben Miller, Stephen Burns and Ewan Thorburn. The latter three all finished within a wheel length of each other and just an outstretched arm from the winner. Mairi Meldrum proved to be too strong and won the ladies event, out-pacing a well-placed Christina Bell with Emma Holgate taking third. Many thanks to British Waterways Scotland, Forestry Commission Scotland, Lochaber Rugby Club and the many volunteer helpers. Next Wheelers event is the first Winter League, at Erracht on Sunday Nov 25th.
