**28/01/12**

Round 5 of the Alpine Bikes sponsored West Highland Wheelers Winter League saw the riders head for the Erracht side of Glen Loy. Ben Thompson had set a short figure of eight course and riders had to complete as many laps in an hour plus one final lap to finish them off. Dry conditions underwheel were most welcome with the climbs and technical descents ensuring that each rider remained focussed. Ruari Watt finished 6 laps, ahead of Ben Thompson and Ben Miller. Mairi Meldrum completed 5 to come out as the leading lady ahead of Nix Forster. Lachlan Blair once more put in a good ride to finish fourth. Short course riders were glad that the punishment lasted for just 30 minutes – Kim Cameron taking line honours here. Great soup and a fine spread courtesy of Fiona Thompson after the race with the many incidents during the race being analysed over a warming plate of broth. Next event is at Duror on the 26th Feb.
