The traditional West Highland Wheelers Xmas handicap took place in Glen Nevis. James Shirley completed the double, winning the handicap and scratch races on a fixed hub, single speed shopping bike. Frances Dent was the first lady home with Johnny Forster winning the junior event. It was good to see John Anderson out again after a 5 year break and also Marie Cameron, sprinting past her husband and Brian Barbour to the finish line. Thanks to Ruari Watt of the Forestry Commission for his help.
