

WEST HIGHLAND WHEELERS WINTER LEAGUE – ROUND 4 – INVERGARRY

The West Highland Wheelers Winter league moved to Invergarry for their next event. A tight figure of eight course meant that each rider could do as many or as few laps as they preferred. The first 3 riders completed 3 full laps with James Shirley powering through as the clear winner. Stephen Dent came in second with John Shirley finishing third. Brych Hensman-Martin was fourth, a really good performance and his best result yet. Gavin Linfield had to work his way back up the field to finish fifth after momentarily switching sports and following a couple of runners down a wrong path. Mairi Meldrum was the first lady home. Thanks to Andrew and Colleen for helping out with marking the course and to Donald and Grant for marshalling. Next round is at Kinlochleven on the 9th Feb.
