

## WEST HIGHLAND WHEELERS

### WINTER LEAGUE

#### ROUND 9 – NEVIS RANGE

The final round of the West Highland Wheelers Winter League took place under a blue, sunny sky at Nevis Range. Part of the Bike Festival week, the day saw an excellent junior's event run first followed by a well-attended senior's race. A great course was set by Steve, Roddy and Brian and the smiles at the finish gave a good indication of the views of the riders. Liam Moynihan battled all the way with Rab Wardell but some slick descending skills saw Liam come out as the winner. Mairi Meldrum just pipped Hannah Barnes to take the ladies race with Stephen Dent beating his brother, Alex for the juniors. The traditional end of season BBQ was followed by the presentations. The Series Trophy winners were Stephen Dent (mens), Mairi Meldrum (ladies), Brych Hensman-Martin (Junior) and Gregor Linfield (short course). Thanks to Jesse Wigman and Alpine Bikes for the prizes and T-shirts with thanks also to the Granite House for the new Ladies trophy.
