

WEST HIGHLAND WHEELERS

The first round of this year's West Highland Wheelers Winter League saw over 40 riders enjoy a fine course set by Steve Bradley at Leanachan forest. A particularly strong field included riders that competed at the World Enduro Series during the summer return to their roots in Lochaber. Joe Barnes was a comfortable winner from Liam Moynihan with Ewan Thorburn taking third place. Hannah Barnes was a clear winner for the Ladies with Fiona Beattie in second place and Fiona Mellor in third. Brych Hensman-Martin once again showed his rapid improvement by taking a tremendous 7th place from a despairing Alistair MacLennan, who even resorted to an unsuccessful and dubious direct sprint to the finish line. Good to see 11 ladies taking part. Next round is due to be at Spean Bridge on the 23rd Nov. Thanks to Steve and all of the marshals, timers and helpers who braved the hefty showers.
