

**WEST HIGHLAND WHEELERS/NORTH ARGYLL CYCLE CLUB**

**WINTER LEAGUE 2014-15**

**ROUND 5 - FEARNOCH**

The joint NACC/WHW annual XC race took place on a wintry Fearnoch course set by Nick Charlton and Mike Bossard. Conditions under wheel were jokingly described as somewhere between hazardous and suicidal but this did not deter a hardy group of keen riders taking on the abundant snow and ice. The weather was superb and the views to match. Mike Bossard fought all the way with Tom Smith, edging the win by only a wheel's length. The next 4 riders were not far behind either. Raeanne Miller was the first lady home and Tom McMahon took the honours for the juniors. Notwithstanding the fact that it was the middle of January, a very hospitable BBQ then followed on to celebrate the memory of the sadly missed Chris Bell. Thanks to Fiona Gunn for the timing. Next event is due to be at Invergarry on the 8<sup>th</sup> Feb.
