

**WEST HIGHLAND WHEELERS**

**LOCH EIL 10**

**31<sup>ST</sup> MAY 2011**

Spots of rain, a crosswind and November temperatures made for a hard Loch Eil 10. Gavin Shirley was the fastest man on the course at just over 22 minutes. Four rivals were just separated by 6 seconds with Roddy Wells doing well to mix it with the bunch. Sile Morris was first lady home, also pipping new entrant Kim Cameron by just one second.
