

WEST HIGHLAND WHEELERS

FORT TO FORT – 31st October 2010

The monsoon relented to give the riders a really fine day for this year's event from Fort Augustus to Fort William. A group of 3 riders led the field with Gavin Shirley taking a narrow victory from Ben Thompson and Geoff Martin. A strong ladies contingent resulted in Hannah Barnes breaking the 2 hour mark, ahead of Nix and Julie Corner who both finished well up the field. Angus Burnside deserves a special mention for completing the course in a very acceptable time for someone of 12 years of age. There were several riders who were happy to enjoy the spectacular views and to complete their own personal challenges. Fos regretted buying cheap Chinese inner tubes and failing to lift his bike out of the back of the shed since his holiday. Thanks to Colleen for managing the dysfunctional timing system, Ilona, Lorna, Maggie, Fiona, Ruari and Ian Dewar for marshalling the key junctions, to Steve Bradley for the lantern rouge role and Jim Maxwell for acting as broom wagon. Also a word of thanks to the Great Glen team and Lochaber Rugby Club for all their assistance
