Loch Eil 25

The penultimate time trial of the season saw 9 riders take on the infamous Loch Eil 25. Ben Miller suffered from a wonky saddle early on so went off to do some hill sprints. Gavin Shirley continued with his good streak of form by recording a 55 minute time. Spook's consistency saw him come third to a commendable 60 minute run from Stevie Martin.

Thanks to Alec for marshalling the turn and to Colleen and Lorna for the timing.
