

Wed 19th Jan '11 - Fiona's Frolic in the Woods, Glencoe - classified as easy (aye right!)

A record number of folk turned out for the first of the mini season of cross races, important absentees were Ruari Watt, Gregor Muir and Ed Daynes; however Ben Miller managed to keep everyone on their toes and lap most of us several times (I swear he has a double in the wood!) Thanks to the Glencoe Café for staying open for us this evening and providing excellent hot food and drinks and wonderful cakes. We did leave a few pine needles on the floor but they were easily cleared with a large broom. Anyway here are the results (and even before our soup has gone cold!) Thanks to Colleen Foggo and Ben Thompson for doing the time keeping so well with so many people.
