

**West Highland Wheelers
Alpine Bikes Winter League
Glen Loy
25th March 2012**

The penultimate round of the Alpine Bikes sponsored West Highland Wheelers took place at Glen Loy. A fiendish course had been set by Andrew Foggo and the riders enjoyed the balmy conditions too. Ewan Thorburn was a worthy winner with Mairi Meldrum taking the ladies race. The full Winter League has been won by Mairi for the ladies. The men's series has a number of possible permutations, coming down to a battle between Ben Miller, the current leader Lachlan Blair and John Shirley at the final race at Nevis Range on the 15th April.
