The Nevis Cycles sponsored West Highland Wheelers Winter League visited the well-loved trails above Inchree on Sunday. Joe Barnes was once again far too strong for the field, coming in well ahead of a closely fought battle for second place. Ewan Thorburn won out here with Huw Oliver coming in third, just 2 seconds behind. There were some tussles in the middle of the field too with John Macrae leading home a posse of perspiring pursuers. Fiona Beattie took the Ladies race from Hannah Barnes to take a clear lead in the Series. Roger Gibbins was walking his dog before the start, noticed the signage and decided to nip home for his bike, just showing that the Wheelers welcome all hardy souls! Thanks to the Dent family for a very well-run event. Next round is at Duror on Sunday 24th February.
